But the look is new!

Things that are available on the site:

Sunday worship information:

The **Scriptures and Sermon title** will be posted on the previous Tuesday or Wednesday. If you are to be a reader, you can check the coming texts on-line.

News and Notes for the up-coming week will be posted on Monday.

Audio of the Sunday service will be available to listen to on-line usually by noon on Wednesday.

Other features are the same – but different:

The church calendar, and now a separate calendar for concerts and other groups that meet here on the MPC campus.

Posting of other news and events will appear on the home page from time to time.

Come see the Web site “in action” during Coffee Hour on Sunday October 16 in Preston Hall. Morgan and Evelyn will present a brief “tutorial” so that everyone will know how to get the most from getting used to going on-line. Learn how to use features such as “links” from scripture listings to being able to see and read the actual scriptures, and many other features.
