THANK YOU! Kathy Mooney appreciates all the prayer for her son, Jason, and is thankful for his successful surgery.

We celebrate with MPC family member Howard Wheatley Allen on his collaboration with Don Leek. Don Leek was inspired by Wheatley’s two-foot-high bronze sculpture “Flight of Eagles” and created a replica that now is on permanent display at Palo Alton’s Birch Plaza. The 20-foot-tall installment of bronze and stone was crafted over a 5-year period and was recently unveiled and presented publicly. Way to go, Wheat! You continue to inspire us all!
